Timeless Trails for 2027: Discover the ancient world in a brand-new light

If you're looking for a unique and informative experience in the company of experts and like-minded people, take a peek at our special selection of new dates for 2027.

Embark on new tomb discoveries in Saqqara, including the Tomb of Mehu and the Tomb of Maia and spend two days in Alexandria, the capital of the Ptolemies, one of the greatest cities of the Hellenistic and Roman world, on Egypt - New Museums & Discovery. Venture to Imperial Majesty in Ravenna & Venice and join an exclusive, private visit to the Biblioteca Marciana, famed for its important collection of Byzantine manuscripts, as well as two exclusive private evening visits to the Byzantine basilicas of San Vitale and San Marco. Further afield, discover the mighty crusader castle at Kerak, built in the 12th century and one of the largest in the Levant region and visit Jerash, the best-preserved (and Jordan's largest) Roman town in the east, a site that is home to the Oval Plaza and the Corinthian columns of the Temple of Artemis, on Jordan - Petra and the Desert Fortresses.
